

Pair Injured In Accidents

A motorcyclist and an auto driver were hospitalized over the weekend following separate crashes.

Willie Gilmore, 25, of 918 Serria st., El Segundo, skidded out of control while making a turn at Hawthorne Blvd. and Tallman st., police said. He was taken to Harbor General Hospital with a brain concussion and facial injuries.

Edwin J. Speakman, 40, of 4220 W. 160th st., was treated for numerous cuts at Torrance Emergency Hospital, after his car struck a fence at Arlington ave. and 203rd st., police said.

Police Jail 21 Over Weekend on City's Curfew Law

Continuing their enforcement of the 10 p.m. curfew law, Torrance police nabbed 21 teenagers over the weekend.

The city jail has been filled with teenagers on Friday and Saturday nights as officers picked up youths under 18 who were caught loitering on the streets.

Lt. D. C. Cook, head of the juvenile bureau, said that the enforcement program was started to cut down on the number of thefts, many committed by juveniles.

Under the police department policy, youngsters who have been picked up for curfew violations must remain in jail until they are picked up by one or both parents.

At the time the parents come to the station, they are acquainted with the curfew law and asked to sign a statement that they are now familiar with it.

Cook said that in case of repeated violations by the same youngster, the parents may be come subject to prosecution.

He pointed out that youngsters who are returning home from a movie or other activities and who are not loitering around, will not be picked up.

In addition to curfew arrests, police have also nabbed a number of minors who have been drinking.

Sleeping Thieves Strip Motel Room

Two men who came for a night's lodging in a Lomita motel were sought today after they stripped the room of everything that wasn't nailed down.

Gerald W. Ward, owner of the Wardway Motel, 2244 Pacific Coast Highway, told deputy sheriffs that more than \$300 of furnishings and supplies were missing when the maid cleaned the room Sunday.

Among the items taken was a television set, blankets, sheets, pillows, towels, drapes and five landscape pictures.

Hahn Sees Cuts in County Budget of \$14,000,000

From his preliminary review of the County Budget, Supervisor Kenneth Hahn declared today that he is convinced that "from \$12,000,000 to \$14,000,000 in capital projects can be eliminated, deferred, or materially reduced," with no disruption or reduction of essential service.

"This means that it will be possible not only to stop any

tax rate increases, but it will result in a reduction of approximately ten cents in the present rate," Supervisor Hahn declared.

He stated that he was continuing his detailed, item by item examination of the budget and that he would have definite, detailed recommendations for items to be eliminated or reduced by the start of the formal budget hearings.
